

DECON

The **ONLY** solution for "all-weather" rapid deployed Decon!

RAPID DEPLOYED, MULTI-FUNCTION DECON SYSTEMS THAT MEET TODAY'S REQUIREMENTS!

Select the Decon System that suits your needs with ZUMRO's time tested, quality and innovative Shelters and Decon Products. ZUMRO's nationwide customer support team offers design assistance, free demonstrations and on-site product training!

POWER DEPLOYED SHELTERS

Easily deployed even in extreme weather conditions and proven reliability for over 24 years, a ZUMRO Shelter is the corner stone of a rapid deployable Decon System.

PRE-PLUMBED & PRE-ASSEMBLED

Available in 1, 2, & 3 lane configurations our shower stalls and plumbing are pre-installed and deploy automatically with the Shelter in minutes!

RESPONSE CARTS AND TRAILERS

Custom designed Response Carts and Trailers are used to store, move and deploy ZUMRO Shelters & Decon Accessories with ease.

DECON EQUIPMENT & ACCESSORIES

Water Heaters, Shelter Heaters, Hepa Filtration, Solution Injectors, Non-Ambulatory Track, Lighting and Grey Water Containment readily available.

Pre-Plumbed Shelters

ZUMRO takes rapid deployment seriously!

True **5 minute, one person** deployment even in bad weather conditions.

When you deploy a ZUMRO Decon Shelter it is **pre-assembled**, including **floor, doors, roof** and any **curtain** configuration you specified.

ZUMRO's Decon Shelters are **Pre-Plumbed** with Hand-Held Decon showers on recoil hoses and fixed Rinse Showers.

The Pre-Plumbed System allows connection of water supply lines *during* Shelter deployment.

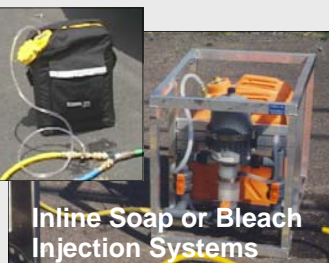

ZUMRO's all new **Elevated Rapid-Roll Pools** with integrated elevated platforms provide instant grey water containment in the shower area's.

Choose from traditional Two Lane, or the new, higher capacity, **Three Lane** Decon Systems.

Only ZUMRO offers the **quality, innovation** and **reliability** that thousands of emergency responders and medical personnel have relied on for over **24 years**.

Our Systems are **made in the USA!**

Decon Accessories

Elevated Rapid-Roll Pools

The patented Elevated Rapid-Roll Pools deploy in seconds. The pools have an integrated elevated platform and clip to the shower stalls.

Accessory Specifications

Description	Part #	LXWXH	Weight	Fuel/Volts	OUTPUT	Flow
Shelter Heater w/Blower	9906	34"x14"x15"	49 Lbs	Propane/110	62,000 BTU	540 CFM
Tri-Fuel Shelter Heater	9935	32"x20"x22"	85 Lbs	Diesel/110	110,000 BTU	850 CFM
Propane Water Heater	9908	24"x16"x40"	65 Lbs	Propane	117,000 BTU	4.2 GPM
Diesel Water Heater	9942	32"x29"x35"	190 Lbs	Diesel/110	148,000 BTU	9 GPM
Solution Proportioner	9915	27"x19"x26"	40 Lbs	-	1/2 % by volume	-
Soap Injection System	9937	20"x19"x24"	28 Lbs	-	AS REQUIRED	-
Hepa Air Scrubber 600	9918	25"x16"x17"	42 Lbs	110V	21 Air exch/hr in 216	450 CFM
Hepa Air Scrubber 1200	9919	19"x22"x39"	85 Lbs	110V	38 Air exch/hr in 216	800CFM
